**Information on Supplemental Educational Services Pilot  
D. J. Montague Elementary School**

---

2008-09

Status: Year 1 of School Improvement  
Did not make AYP in Reading for 2 consecutive years (2005-06 & 2006-07)

Type of Support: Pilot Reversal approved by Federal government  
(Instead of offering Public School Choice [*transfer to different school*], WJCC was approved to bring Supplemental Educational Services to the school [*private state-approved tutoring companies*])

Response: Of 227 eligible students, 134 participated in this SES tutoring program!

Result: DJM's achievement went up in Reading by 6% for all students (from 83 % passing to 89% passing)!  
(Please see state website for report card of each sub-group:  
<https://plpe.doe.virginia.gov/reportcard/>)

---

2009-10

Status: Year 1 Holding for School Improvement  
Made AYP in Reading last year; will need to do so in 2010 to meet the required 2 consecutive years of success in the subject of concern

Type of Support: Pilot Reversal approved by Federal government  
(Instead of offering Public School Choice [*transfer to different school*], WJCC was approved to bring Supplemental Educational Services to the school [*private state-approved tutoring companies*])

Response: 214 students are currently eligible for SES tutoring; so far, 87 have responded for this service!

Result: (Pending Spring 2010 SOL test results)
