

## Spirit Week Edition!

1. We're off to a great start to **Spirit Week!** This year we are stressing that Jamestown is a community. Friday is Blackout Day and we are asking each student and staff member to come to school wearing a black article of clothing. "Whose Town? Jamestown!" T-shirts are for sale. Seniors and staff are being provided special versions of the T-shirt.
2. **Needed: chaperons!** Please consider serving as a dance chaperon this Saturday night. Let Ms. Miller know at 259-3602.
3. Please note the attachment to the email I sent out announcing this edition of the NYCU. It is a set of guidelines for students as we steer their creativity into appropriate channels. Students received the guidelines last Friday. We are working very hard to tamp down class spirit that may go awry.
4. Media specialists Karla Collins and April Knowles recently attended the American Association of School Librarians National Conference, where Ms. Collins presented a session entitled "Turn the Page on Collection Development."
5. More evidence of Jamestown talent and achievement:
  - a. The volleyball team have won the Bay Rivers District championship and move on to the Region I tournament next week.
  - b. The Theater Department's production of "Thanks" recently won the BRD's one act play competition. The Region I competition will be November 19 at Lafayette HS.
  - c. And the Marching Eagles had a great performance at the Monarch Invitational. The band took six awards in Division AAA, the highest division.
6. From our PTSA: The JHS PTSA meeting is from 3:00-5:00 on Tuesday, November 1, in Room 129. Students are invited to come and give their input on the upcoming After-Prom. The PTSA wants to hear what the students would like After-Prom to be. Parents are encouraged to come to this afternoon meeting to hear from Mr. Land and to learn about PTSA activities.
7. Have you joined PTSA yet?
