

November 18, 2011

1. Our choir students continue to shine under Mr. Dungee's direction. We have had 6 students selected for **district choir**: Amy Rushforth, Diane Yi, Ashley Carter, Brittany Ingram, Kristi Vandygriff, and Kelly Monteith. Congratulations and good luck to them as they compete now on a state stage!
2. Our **volleyball team** goes for a state championship this weekend at VCU's Siegel Center. The semis are at 8:00 PM tonight and the finals are at 5:00 PM on Saturday. Good luck, ladies!
3. Our **theater** troupe recently won the Bay Rivers District championship for their performance of the play, "Thanks." On Saturday, the students will compete in the Region I competition at Lafayette HS. Their performance is scheduled for 1:00 PM. Come and enjoy-it's free! And good luck, Eagles!
4. Under the leadership of Abbie Martin, sophomore class sponsor, and Leigh Ann Matzke, junior class sponsor, many of our juniors received their class ring at a very nice **ring ceremony** held Wednesday night. We hope this begins a new tradition and that subsequent classes will have a larger participation. We need more celebrations of milestones in students' lives!
5. Our history honor society, **Rho Kappa**, spent last Saturday at Jamestowne National Historic Park teaching visitors and being ambassadors for our school. Ms. Sandling organized the event and over 70 students participated to much acclaim.
6. We have a new addition to our Jamestown HS website to keep parents and students up to date. You'll find an **Announcements** button a little below the eagle logo. We post our daily announcements to students here.
7. Have a **restful and happy Thanksgiving!**
