

Warhill High School  
 Back-to-School Night Agenda  
 February 16, 2012

Welcome to our Spring Back to School Night event. Our program will begin at 6:00 P.M. in the auditorium. Afterwards, guests will follow the abbreviated bell schedule listed below to meet your child’s teachers and to learn about the classes they are taking. AEP is where you will meet your child’s AEP Mentor and receive your child’s class schedule for you to follow for the rest of the evening. A map of the school is attached for your convenience. The AEP session will last ten (10) minutes followed by a five (5) minute passing time to report to your first block. Each block will last five (5) minutes with five (5) minute passing between each. A second “round of the schedule” is offered for families that have more than one child at Warhill or to accommodate those with A/B classes as needed. Today is an “A” day for scheduling purposes. Please attend your child’s “A” class for the first round of the schedule below. Thanks for coming and enjoy your evening!

Time	Session
6:00 – 6:25	Informational session in the auditorium
